

THE NH TRAINING INSTITUTE ON ADDICTIVE DISORDERS

Presents:

UNDERSTANDING SEXUALLY ABUSIVE BEHAVIOR: WHAT SUBSTANCE ABUSE COUNSELORS NEED TO KNOW

with David Prescott, LICSW

A 6 HOUR TRAINING EVENT ON FRIDAY, JULY 13, 2012

8:30 a.m. – 4:00 p.m. (registration begins at 8:00 a.m.)
at NHHEAF Network, 4 Barrell Court, Concord, NH

PRESENTATION: This workshop explores what we do and don't know about people who have sexually abused. Current research provides reason for optimism that rehabilitative efforts can build healthier lives and safe communities. Topics covered include what professionals outside the field should know about assessment, treatment, and barriers to meaningful change. As with issues related to substance abuse, there have been dramatic changes in specialized knowledge and practice with this population. Learning objectives:

- Review what works and doesn't work in the rehabilitation of people who have sexually abused.
- Review re-offense rates and indicators of higher/lower risk
- Discuss key differences between adults and juveniles who have abused.

CPS Educational Discipline: None

LADC Performance Domains: I, II, III, V **Categories of Competence:** 1, 5, 7, 15, 17

PRESENTER: David Prescott, LICSW, has worked in inpatient settings for over 25 years and specializes in working with individuals who have sexually abused. He is a Certified Trainer for the International Center for Clinical Excellence and a member of the Motivational Interviewing Network of Trainers. Mr. Prescott is a past president of the Association for the Treatment of Sexual Abusers, the largest professional organization of its kind in the world. David Prescott has produced nine books and numerous articles and chapters on understanding, assessing, and treating people who have sexually abused. His published works focus on the assessment and treatment of adolescents who have sexually abused; treatment of adults who have sexually

abused; motivational interviewing; and The Good Lives and Self-Regulation models of sexual offender rehabilitation. He has presented on these topics throughout North America, Europe, and Australia.

NHTIAD REGISTRATION AND CANCELLATION POLICY

All registrations and cancellations must be received in writing via mail, email or fax. If registration is not accompanied by payment, you or your agency, are still responsible for full payment and, in the event of non-attendance/NO SHOW (without proper cancellation as outlined below) will be sent an invoice, as materials have been purchased in reliance on your registration. No refunds will be issued. You may cancel your registration up to seven days before the training by transferring your registration to another NHTIAD training of your choice within

12 months or by sending a substitute from your organization. No refunds will be issued. If you need to cancel less than seven days prior to the designated training, there will be no refund, however you may send a substitute in your place. When using US mail, the postmark will determine date of cancellation. Apart from inclement weather or trainer illness, if NHTIAD must cancel a training, this determination will be made ten days prior to the date of the training, and you will have the option of a full refund or transferring your registration to another training. In the event of trainer illness or weather cancellation as determined by NHTIAD, NHTIAD will make every reasonable effort to reschedule the event in a timely fashion. You will have the option of attending on the new date, a full refund, or transferring your registration to another training. To verify if an event is being cancelled due to weather conditions, call (603) 528-6800, after 6:30 a.m. the morning of the event. The answering machine will have any cancellation information, if needed. If you call, and there is no message referencing cancellation, then the training is proceeding as scheduled.

Send registration or cancellation information to:
